

FAMILY SUMMER ACTIVITY

Library Scavenger Hunt

Turn a trip to the library into a sensational summer scavenger hunt! This activity encourages kids to explore new topics, discover cool facts, and fall in love with reading—all while having fun. Use a list of creative prompts and clues and have the kids find books that match. It's part learning, part adventure, and all-around awesome.

WHAT YOU'LL NEED:

- 🍌 Library card
- 🍌 Scavenger hunt list
- 🍌 Pen or pencil to check off items
- 🍌 Reusable library bag for all your book finds

HOW TO DO IT:

1. Visit your local library.
2. Give each child a scavenger hunt list (or make it a team effort).
3. Read the clues together, like "Find a book with a dragon" or "Find a book by an author whose name starts with S."
4. Explore the shelves and help kids navigate different sections (picture books, nonfiction, graphic novels, etc.).
5. Check off items as they're found—and celebrate each discovery!
6. Let kids flip through the books to find a few they want to read.
7. Check out the books, and maybe even sign up for the library's summer reading program.
8. Head home and read together!
